

**if.c**

```
1 #include <stdio.h>
2
3 // example of if statement in C
4
5 int main() {
6
7     int age = 14;
8
9     // If statement
10    if (age >= 18) {
11        printf("Eligible for vote\n");
12    }
13
14    return 0;
15 }
```
